How do you define identity?

Identity is a person's sense of self, established by their unique characteristics, affiliations, and social roles.

Identity has continuity, as one feels to be the same person over time despite many changes in their circumstances.

I AM A NEW CREATION

Jesus said: ...“you must be born again...” John 3, 5, & 7

Paul teaches: “This means that anyone who belongs to Christ has become a new person. The old life is gone; a new life has begun!” Cor 5:17 NLT

8

I AM A NEW CREATION

For you have been born again, but not to a life that will quickly end. Your new life will last forever because it comes from the eternal, living word of God. 1 Peter 1:23 NLT

9

"put on the new man" is, therefore, to "put on the Lord Jesus Christ," by that divine process of which we have the beginning in Gal 3:27, the continuation in Rom 13:14, and the completion in 1 Cor 15:53-54 & 2 Cor 5:3.

Paul said:

“ Walk in newness of life ”

“Just as Christ was raised from the dead by the glory of the Father, so we too might walk in newness of life”

Rom. 6:4
